We offer products from a range of insurers for Motor, Household, Commercial Insurance & Life Assurance (all non-investment contracts).

We only offer products from a limited number of insurers for Travel, Marine, Pet and other Personal Insurance contracts. We will be happy to provide a list of Insurers for each product type on request. Ask us for a list of insurers we offer insurance from.

We offer the following products from a single Insurer:

1. Tax Investigation Insurance from Croner Taxwise Limited
2. Legal Expenses products from Auto Legal Protection Services Limited
3. Online purchases of Professional Indemnity Insurance from Tokio Marine HCC

All of our Internet sales are offered by a single insurer on a non-advised basis, this involves our firm providing information only to the potential customer, leaving him/her to make a choice about how he/she wishes to proceed.

Optional Extra Insurances: - We will from time to time, and when appropriate, offer you optional insurance contracts with your main Insurance Policy. When this occurs, we will ensure the following:

1. You can clearly see the price for this optional policy.
2. It will be appropriate and you will be able to find out information on the Optional Insurance.
3. You will be able to clearly select not to take the Optional Policy up.

### Disclosure/Your Responsibilities

It is your responsibility to provide complete and accurate information to insurers when you take out your insurance policy, throughout the life of your policy and when you renew your insurance. If you fail to disclose any material fact or information pertaining to your insurance, or any inaccuracies in information given, this could invalidate your insurance and mean that claims may not be paid.

It is important that you ensure all statements you make on proposal forms, claim forms and other documents are full and accurate. If a form is completed on your behalf, you should check that the answers shown to any questions are true and accurate before signing the document. You should also read your Statement of Fact to ensure we have understood your insurance needs accurately. You should read all insurance documents issued to you and ensure that you are aware of the cover, limits and other terms that apply. Particular attention should be paid to any warranties and conditions as failure to comply with them could invalidate your policy.

You should take note of the required procedures in the event of a claim, which will be stated in the policy documentation. Generally, insurers require immediate notification of a claim or circumstances that might lead to a claim. You should inform us immediately of any changes in circumstances that may affect the services provided by us or the cover provided by your policy.

You are reminded that it is an offence under the Road traffic Act to make any false statements or withhold any relevant information to obtain a Certificate of Motor Insurance.

You are advised to keep copies of any correspondence you send us direct or to your insurer. If you are in any doubt about whether information is material, you should disclose it.

### Confidentiality and Data Protection

All personal information is treated by us as confidential and is processed in accordance with the relevant legislation. We will not use or disclose personal information without your consent, other than in the normal course of arranging and administering your insurances, except where we are compelled by law (including Regulators or law enforcement agencies) to disclose such information. In such instances personal information held by us may be disclosed on a confidential basis, and in accordance with the Data Protection Act 1998, to such parties. We may use information held about you, to provide you with information about other products and services which we may offer, and which we feel may be appropriate to you. You may exercise your right to give notice to stop data being processed for the marketing purposes by contacting us at any time. Please contact us at the above address. In the event of a claim on a Motor or a Household policy, the information you supply on the claim form, together with any other information relating to the claim, will be put on the Claims and Underwriting Exchange Register, and the Motor Insurance Anti-Fraud and Theft Register, by your insurer, to aid the prevention of fraudulent claims.

Insurers are legally required to provide details of motor insurance policies to the Motor Insurance Information Centre. The information, describing your insurance will be added to the Motor Insurance Database (MID) to which the police and other Government Agencies have access. This helps the pursuance of claims and aids detection of those who are in contravention of the law by not taking out insurance.
